Dear Aiden

RE: FIELDWORK PLACEMENT

Thank you very much for your support and involvement in the fieldwork placement of Bruce Hancock.

Bruce indicated that completing his fieldwork placement with you was a worthwhile and rewarding experience, where skills were further developed and confidence gained.

We hope that you also enjoyed, if not benefited from, the time spent with him.

Once again, thank you for the time and energy you found to spend with our student during your busy schedule.

Yours sincerely

ROSS HENDERSON
